

## Information for Colorado Prescribers of Prescription Drugs

- The information contained in this notice is being provided to Colorado prescribers pursuant to Colorado law. This document contains the wholesale acquisition cost (“WAC”) of a prescription drug marketed by Seattle Genetics in Colorado.
- The price listed below is a WAC price, which represents Seattle Genetics’ published list price for the product sold to wholesalers. Please note that the WAC price listed below may differ significantly from actual prices paid by customers and consumers. In addition, a product’s WAC is typically not associated with per-dose pricing.
